Amenities

This rustic log cabin has everything you need for a refreshing and renewing mountain retreat. The one room cabin is located on 450 acres of private woodland, sits along the diverted waters of Weikert Run and is only 50 yards from the Class A fishing waters of Penns Creek. It has a small kitchenette area, bathroom, main room, and small loft. In total, the cabin can sleep 5 people. We provide some basics in the cabin, but you will need to bring some things from home to make it nice and cozy:

Kitchenette: The kitchenette offers a small mini fridge, microwave, coffeepot, hot plate, and tea kettle. We stock it with basic supplies such as some cooking utensils, a pot, a pan, coffee filters, and coffee cups. There is a small wash basin with dish soap, dish cloth, and drying towel for washing dishes.

Bathroom: Shower stall, toilet, sink, mirror. ***Please be sure to bring your own towels and toiletries***

Beds: There is a bunk bed that has a full-size mattress on the bottom and a twin size mattress on top. Bunk bed mattresses are plush home style mattresses. There are two camp mattresses located in the loft. The loft is accessible via a built in ladder. ***Please be sure to bring your own bedding and pillows.***

Other: Small wood burning stove (we provide the wood), electric heat wall unit in main cabin and bathroom, desk and chair, ceiling fan, cleaning supplies, kitchen bar area and card table with chairs for eating, floor and table lamps, overhead lighting, pad lock with key for you to lock the cabin if you leave during your stay.

Be sure to bring to the cabin:

- Bedding and towels
- Toiletries
- Food that can be prepared in a microwave or on a two burner hot plate
- Specific kitchen supplies you'll need for any meals you're preparing (we provide a limited number of kitchen utensils)
- Flashlight
- Things from home to make your stay more comfortable (camp chairs, books, games, etc)

Wesley Forest Camp and Retreat

Wesley Forest Camp and Retreat Center is a year-round Christian camp and retreat facility. For this reason, the cabin is not available for guest use June-August, as this is our summer camping season. September thru May it is possible that a larger retreat guest group will be using Penns Creek Lodge for personal group retreat. Penns Creek Lodge is located across from the Sojourners Cabin. Wesley Forest values and encourages community, and we ask that all guests respect one another's personal retreat experience and space. As a guest of the Sojourners Cabin we welcome you to hike on the Wesley Forest trails at your own risk. Please do not fish in the dam water in front of the Sojourners Cabin. Rather, we invite you to take the short walk to Penns Creek to enjoy world class trout fishing. All anglers in Penns Creek must follow PA Fish and Boat Commission rules and guidelines. Absolutely no spikes may be worn in the Sojourner's Cabin or on the Penns Creek Lodge board walk. If you would like to fish in the Wesley Forest catch and release lake, please communicate with the Center Director.
